better care of this situation. It certainly
does not look good for me when I stand
up and vouch for all the Colored League
teams etc.

Please contact Mr Wilson and Mr Green
asking them not to let the Express Co
return this C.O.D shipment as I will
certainly be in a tough spot with
Mr Conway President of Company.

No doubt you know just where you can
reach them and I am not at all familiar
with their whereabouts.

Thanking you both for all your many
kindnesses to me and the Company.

Sincerely

Bob Rose.
